We would be most grateful if you would provide us with a reference on the applicants' academic and general suitability to undertake a doctoral study in information technology in business by completing this part on the reverse side of this form or by attaching to the form a written statement on letter headed paper. It would be of great assistance if, in addition to any general statement, you would indicate the following in you references:

- (a) how long you have known the applicant and in what capacity;
- (b) the applicant's standard of proficiency in written and oral English;
- (c) how the applicant's achievements compare to those of his/her peers;
- (d) the applicant's intellectual independence, capacity for analytical thinking, ability to organize and express ideas clearly, motivation, potential for teaching, and any previous writing experience that would be relevant;
- (e) the applicant's suitability for his/her doctoral study, including any distinct strengths or weaknesses.

On the following scale, please rank the applicant against other student in comparable fields.

Bottom Quarter	Third Quarter	Second Quarter	Top 25%	Top 10%	Top 5%	Top 1-2%
-------------------	------------------	-------------------	---------	---------	--------	----------
